EurECA

The **European Educators' Christian Association** aims to create a network of Christians all over Europe in order to promote God's kingdom in education. We hold a conference every year for networking and training. EurECA is a member organisation of the European Evangelical Alliance (EEA).

Conference 2014

As in 2010 in Germany, this conference will be held in a congress format: Building on the rich experience and expertise of members and participants, we are planning on a wide range of workshops – from maths to arts, from kindergarten to university level.

If you have any special gift or expertise to share with other Christian teachers/educators, please let us know, and we will send you more detailed information. The only basic requirement is, that your workshop would promote some aspect of Christian pedagogy.

The venue

This will be the first EurECA conference on UK territory. We are happy to have found in Pilgrim Hall a place which is welcoming and affordable and perfect for our needs. It is situated 1h 10min by train from Gatwick airport and 2h from Heathrow. The conference costs will be around 190-210€.
